Instructions: (Carefully read before you fill the form)

- An admission application also is considered for a full scholarship, which covers student's monthly living expenses and full fee of the program.
- A successful applicant is notified whether he/she is granted admission with full scholarship or his/her admission is conditional.
- Special consideration will be given to the applicants who have passed a degree (Fazilat) from a well-known madrasah.
- Also applications are invited from the applicants who have completed their first degree program (Graduation) in any discipline from any recognized university from India or abroad.
- Admission "By Research Only" is available for researchers coming from abroad.
- Indian student/researcher must choose "by coursework and research", after due consideration or passing the comprehensive examination student/researcher may be exempted from coursework.
- Use only black or blue ink.
- Fill all entries in **capital letters** except where necessary to use small letters.
- Submit attested photocopies of all academic and necessary documents with this application.
- Never mark or write anywhere in the entire form except wherever you are required to do so.
- In the area of study the academicians/professionals must write their educational expertise or skills while students should write their current course of study, or the course of study they have most recently passed. The students may also include their area of interest for further studies.
- Make sure that the form is completely filled and no entry remained left; incomplete form either will be rejected without further information or there will be unnecessary delay in assessing and processing your application, attach **four** passport size colored photographs.
- *The researchers may be asked/required to attend international conferences during their research program. Therefore, they must furnish a financial statement or a letter of sponsor showing their financial capability. Such conference may also be sponsored by DIIT subject to the availability of funds.
- *In case you are **not** furnishing financial statement it never means that your application is unacceptable or no worth of assessment. Financial statement makes your claim strong regarding a comprehensive research work with the support of foreign universities/institutes.
- Students/academicians seeking admission in research program must furnish their English language proficiency very carefully and accurately.
- An English language proficiency test may be conducted by DIIT.
- An Arabic language proficiency test may be conducted by DIIT.
